Notes about the literature/History sequence and Transferring

Students must complete a 6-hour sequence in either history or literature:

- Eng 261/262 – British Literature I & II
- His 101/102 – Western Civilization I & II

- Students transferring within the state of Alabama should complete an Alabama Transfers guide to help them choose electives: <https://alabamatransfers.com/>

Students transferring outside the state of Alabama should contact the college to which they are planning to transfer for an evaluation of credits and a copy of the appropriate degree plan. This ensures that courses chosen will transfer to the next institution the student will attend.
